Pat Wyss	Wyss and Associates	(605) 348-2268		patw@wyssassociates.com

Scope

- Phase I – Historical Research/Inventory and Documentation of Existing Conditions
- Phase II – Preliminary Cultural Landscape Report (Preservation Approach and Treatment Plan)
- Phase III – Finalize Cultural Landscape Report and Public Outlay of Report

Existing Conditions

- Historic Research
- Inventory and Documentation
- Condition Assessments
- Goals and Objectives
- Public Scoping Meeting
- Interviews

Existing Conditions (cont.)

- Develop Plan View Drawings
- Analyze and assess circulation patterns, interpretive opportunities, in-place maintenance procedures, previous repairs to landscape elements and previous landscape preservation and restoration efforts on the campus affecting landscape elements.

Existing Documentation

- Stewart Master Plan (2000)
- Historic Resources Inventory and Adaptive Use Recommendations (1982)
- Secretary of Interior's Standards for Historic Preservation
- Preservation Brief 36
- Urban Forest Management Plan (2001)

Schedule

- Phase I – Completion May 2007
  - Site visit #1 (November 8-10, 2006)
  - Site visit #2
  - Site visit #3
- Phase II – Completion May 2008
- Phase III - Completion May 2009

Goals and Objectives

- Phase I Deliverables
  - Existing Conditions Documentation
- Phase II Deliverables
  - Landscape Design Standard (development guidelines)
  - Preservation Maintenance Guide
- Phase III Deliverables
  - Prioritized List of Recommendations
  - Cost Estimate

Budget

- Phase I - $38,195 Grant Awarded and Scope Contracted
- Phase II – $35,350 Grant Application due 11/28/06
- Phase III - $31,395 Grant Application Planned 11/28/07
- TOTAL - $104,940

THE END
