Subject: Prime Consultant Selection – Administrator Selection
21-M02-2 Upgrade Electrical System (Caliente Youth Center)

Applicants:

The State Public Works Division is pleased to announce the selection of:

TJK Consulting Engineers

to be the prime consultant on the above subject project. Thank you for your interest and participation in the selection process for architects and engineers for this project.

Qualifications of all firms interviewed were outstanding, and presentations were all very professional and highly organized. This resulted in very difficult decisions by members of the interview committee in determining which firm to recommend for selection. You are all to be congratulated on the quality and professionalism of your firm!

We enjoyed working with you during this Request for Qualification process and encourage you to again submit in response to future RFQ's.

Sincerely,

A handwritten signature in blue ink that reads "Brian Wacker".
